

My Dear Brother and Sisters in Christ,

The documentary film "Pray" will be shown on October 9th, at 7 p.m. at the Cinemark Theater in Kalispell. The opening coincides with the timing of the feast of Our Lady of the Rosary! Megan Harrington, Montana native and Lady Griz alum of the U of M, wrote and produced this beautiful account of Fr. Patrick Peyton. Information about tickets and times are in the link below. Also, visit the website for the film below for ticket availability! Ave Maria!

As you know, Sandie and Carl Hogman are recovering from COVID 19, Deo Gratias. Sandy was given an experimental medication that was very effective.

In the interests of health and safety, the Bishop's office has recommended that we not have a choir for one or two weeks. Further, the Bishop reminds us all that it is imperative that unless you have a health issue that prevents you from doing so, we are required to wear masks, which are effective in the prevention of the spread of the virus.

Special thanks to the CCW, who provided out of their funds, to have the carpeting at St. Richard professionally cleaned! CCW sign up sheets are available in the church and office.

I'll be taking a few days off next week. I'll make announcements at Mass and via Flocknote and MyParishApp regarding when we won't have Mass.

Thank you for your prayers, support, and love in the Lord and Blessed Mother!
