

THE ROMAN CATHOLIC
DIOCESE OF HELENA

Dear Parishioners,

This is a friendly reminder that facemasks are **NOT** optional in Bishop Vetter's churches (unless you fall into one of HIS dispensations). *Ideological opposition to facemasks is NOT a dispensation.*

This is not a moral issue, so put one on and please be obedient to your Bishop.

When one submits one's will to one's legitimate superior, that's what humility looks like.

None of us likes wearing one, but it is a small sacrifice to make in exchange for a church that is open.

Thank you, Fr. Bart Tolleson
