Developing a Parish Education Program

In order to support the duty of parents in educating their children in the faith (see the Catechism of the Catholic Church #2221-2231), the parish is developing a series of catechism courses to provide age-appropriate catechesis in the faith, which will include learning Catholic doctrine, reading and interpreting Scripture through a Catholic lens, developing a life of personal prayer, and discerning proper morality. The classes will generally be held each Sunday during the school year after the 9 a.m. Mass. There will also be a sacramental preparation course for those that have reached the age of reason, and can receive their first Holy Communion, make their first Confession, and receive Confirmation. These classes are open to all children of the parish, second –twelfth grade but are geared primarily for those children not enrolled in a Catholic school. More detailed information will be forthcoming. If you think that your child (or children) would benefit from such courses offered by the parish or you would like your child to be part of sacramental preparation beginning in January, please email your child(ren)'s names, their birth dates, which equivalent grade each attends in school (if applicable), and which type of course is applicable to each (sacramental preparation or catechism course) to Mr. Zachary Adian (zadian@atonementonline.com) at your earliest convenience. Please write in the subject line "Parish Education Program". Note: This information is only for planning purposes at this time. In addition, we are looking for volunteer catechists who would be willing to teach our children in either the sacramental preparation course or the parish catechism courses. It is not necessary to be formally trained or have a degree in theology. Any faithful Catholic that knows their Faith and has the patience and gentility to present the Truth to our children is an ideal candidate. You would need to complete an online Virtus/safe environment training and background check (I can help direct you to this, if you don't know where to go) and be able to follow very simple lesson plans each week. We will need at least two volunteers per course. If you would be willing to offer up an hour of your Sunday each week to help our children grow in their Catholic faith and closer to our Lord, please email your name and the ages of the children you would be most comfortable teaching to Mr. Zachary Adian zadian@atonementonline.com. Please write in the subject line "Volunteer Catechist". Note: For those younger than 2nd grade (ages 3-6), the parish will offer a Catechesis of the Good Shepherd: Level 1 formation course, which provides a hands-on, exploratory environment for the child to grow in their personal relationship with God. Go to the website: www.cgsusa.org, if you would like to see in detail how the program works. They will run during the same time frame as the other parish courses. If you think your child(ren) would benefit through this course, please email your child's name and birth date to Mr. Zachary Adian (same email as above). Please put "CGS" in the subject line. If you have training in Catechesis of the Good Shepherd or are interested in becoming trained to assist with the course, please contact Mr. Adian. Please put "CGS Volunteer" in the subject line. Please prayerfully consider how you can be a part in strengthening our parish and Christ's Holy Catholic Church. May St. Joseph, whose protection is always sure, help our program to flourish.
