LENT BEGAN FEBRUARY 17, 2021

This year the Lenten season is early. Let this Lent be a season of renewal for you and your family. The Church provides opportunities for us to encounter Christ through Sacred Scripture and Tradition. The word of God inspires us to see things as God sees. Tradition gives witness to Christ. It is in tradition that many popular devotions developed over time. One of those devotions are The Stations of the Cross or Way of the Cross. When was the last time you prayerfully reflected on each Station? Do you remember how many Stations there are? How many Stations of the Cross can you name?

Every Friday, at 3:00 p.m. during Lent, the Stations of the Cross will be prayed Bilingual at San Felipe de Neri. The dates are as follows:

February 19, February 26, March 5,
March 12, March 19, and March 26

Come and meditate on the passion and death of Christ. In his acceptance of the will of his Father, he endured pain and suffering that you might know true love. There is a price. How will you respond to such a sacrifice? By turning away from sinful behavior thru the mercy of God. Learn how you can find strength and courage to walk your Calvary. We have been redeemed! Let Christ, once again, touch your heart.

COMPASSION AND GENEROSITY

Let your heart feel for the afflictions and distress of everyone, and let your hand give in proportion to your purse.

LA CUARESMA EMPEZÓ EL 17 DE FEBRERO DE 2021

Este año la temporada de Cuaresma es temprana. Que esta Cuaresma sea una temporada de renovación para usted y su familia. La Iglesia nos brinda oportunidades para encontrarnos con Cristo a través de la Sagrada Escritura y la Tradición. La palabra de Dios nos inspira a ver las cosas como Dios ve. La tradición da testimonio de Cristo. Es tradición que muchas devociones populares se desarrollaran con el tiempo. Una de esas devociones son las Estaciones de la Cruz o Vía Crucis. ¿Cuándo fue la última vez que reflexionó en oración sobre cada estación? ¿Recuerdas cuántas estaciones hay? ¿Cuántas estaciones de la cruz puedes nombrar?

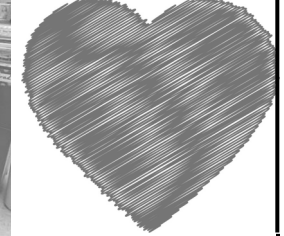

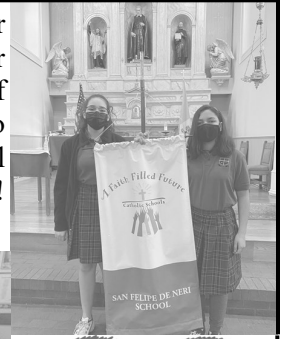

Todos los viernes, a las 3:00 p.m. durante la Cuaresma, el Vía Crucis se rezará bilingüe en San Felipe de Neri. Las fechas son los siguientes:

19 de febrero, 26 de febrero, 5 de marzo,
12 de marzo & 26 de marzo

Ven y medita en la pasión y muerte de Cristo. Al aceptar la voluntad de su Padre, soportó el dolor y el sufrimiento para que pudieras conocer el amor verdadero. Hay un precio. ¿Cómo responderá a tal sacrificio? Apartándose del comportamiento pecaminoso a través de la misericordia de Dios. Aprenda cómo puede encontrar fuerza y valor para caminar por su Calvario. ¡Hemos sido redimidos! Deja que Cristo, una vez más, toque tu corazón.

“I do will it. Be made clean.” by Fr Gabriel

Thanks to the great advancement and development of medicine, today we have the ability to understand that leprosy is a progressive and slowly developing disease that damages the skin and the nervous system.

An infection with *Mycobacterium leprae* or *M. lepromatosis* bacteria causes leprosy. Early symptoms begin in cooler areas of the body and include loss of sensation. Signs of leprosy are painless ulcers, skin lesions of hypopigmented macules (flat, pale areas of skin), and eye damage (dryness, reduced blinking). Later, large ulcerations, loss of digits, skin nodules, and facial disfigurement may develop.*

The miracle of the healing of the leper, in the Gospel of this fifth Sunday, is a teaching of Jesus for us, like all his miracles. This man, who suffers in his body and in his spirit, wants to be healed, recognizes his illness, knows that he is condemned to live in the midst of pain and what is sadder, condemned to live in solitude and isolation.

For this man, living death while still alive, he knows that his only hope and opportunity to live again is Jesus, he has heard about his Power and his, he trusts and believes that, if he approaches him, with all that he now has, his poverty, humility and illness, he will achieve the miracle he needs, to belong to a family, to a community, to be again and to feel Alive and Free. All this is the consequence of faith, believing with everything, even what we do not have.

This is the reality of those who suffer, of the marginalized, of those brothers of ours who, sadly, we reject and exclude, those who have suffered illness and pain, of those who are now going through this difficult difficulty and trial of pain.

And how is Jesus' response in these situations? Jesus "had compassion on him." He knows and understands this situation perfectly, he understands the anguish and concern that this leper suffers "He touches him", thus expressing the healing, saving, and restoring power of God's grace that he has come to bring to men.

Jesus has this immense and powerful power to save, to regenerate creation, to return man to his original dignity, to reestablish and lift up what was fallen, with Jesus we have no doubt no fear that our healing and salvation will be totally effective, with Jesus everything is possible, because for God nothing is impossible.

Just as we have understood the origin and action of physical leprosy through the science of medicine, we must understand that there is still a kind of leprosy that continues to cause us problems, that continues to lead us to loneliness, isolation and spiritual rejection, a leprosy that He wants to dissociate us and distance us from the family of God, which is the Church, the community of believers. Through the science of God, prayer and our spiritual growth we must understand and comprehend the devastating effects of the leprosy of Sin.

Today we must learn from this episode of the gospel, we must carry it and keep it in our spiritual formation, we must overcome fear and fear, seek the Lord and plead with humility and faith " If you wish, you can make me clean. "Surely he will not reject us, sure that in him we will find complete and total healing of body and soul, sure that we will hear his beautiful and holy response: “I do will it. Be made clean.”
