Classroom News

This week is very short. Monday is a full day with a half day on Tuesday. SMV will be offering After School Care for Tuesday. Please let the school know by Monday if you plan on using this service. It helps Mrs. Spencer out planning activities for the kids. Remember to send your kiddos with a **lunch and extra snacks** for that day if they are staying.

Poinsettia orders are due this weekend.

As you have probably noticed that runny nose/cough season has arrived. With the increase in Covid cases in the state on the rise we appreciate all of the extra precautions parents have taken keeping their children home when not feeling well. Please make sure that masks are being changed or washed daily and to send extra masks to school if they get dirty.

Any questions feel free to email me any time!

Bridget Bontomasi
