

General Mills “Box Tops for Education”

How you can help:

Please cut out the “Box Tops for Education” labels found on hundreds of products at your grocery store, and pass them to SMV School. For every label we submit, General Mills sends us ten cents! This label is on dozens of cereals, frozen items, Betty Crocker potatoes, fruit snacks and cake mixes, Old El Paso items, Green Giant frozen items, Gold Medal Flour, and Bisquick mixes, and more.

Our collection will be submitted in October and February.

For a complete list of participating products and to learn more, visit www.boxtops4education.com

Thank you for helping us earn \$11,343 since joining the program!
