

Dick's Market "Tools 4 Schools"

Spartan Stores, in conjunction with Dick's Market, provides the "Tools 4 Schools" program formerly known as "Apples for Students" program.

How you can help:

Please save the register tapes from Dick's Market dated from September 1 through February and pass them to us. The submission of these tapes earns free educational equipment for our school! Receipts must be turned in to the school by March 1 as the deadline for ordering equipment is shortly after.

Thank you for saving your receipts!
