

Paper-Gator Recycling

How the program works:

Two containers are located by our storage barn for your use 24 hours per day, seven days per week for the collection of your paper. We accept not only newspapers, but magazines, telephone books, catalogs, and junk mail as well!

Annually we collect nearly 100,000 lbs. of paper, saving several hundreds of trees and yards of landfill space while earning extra funds for the school.

Thank you for depositing your recyclable items into our Paper-Gator! Over the years, we've earned over \$13,230 recycling paper through the Gator or paper drives.
