Classroom News

The class will be having Electronic Day on January 15. For Electronic Day, the students may bring an electronic device to school. If you would prefer your child not bringing in an electronic on this day, they may bring in a craft or activity to play during this time. Just a reminder, the students may not share.

I noticed last week that all students are getting low on school supplies. Please send in extra pencils, erasers, glue sticks, crayons, markers, colored pencils, etc. Ask your child what they are low on. Also remember to provide an extra mask to keep in school.

First Reconciliation will be at SMV on January 16th at 10 AM. We need everyone to be there by 9:30 AM for rehearsal and Father will say some quick words before we get started. Please be sure to dress nice like you would for Sunday Mass. Father will be open for all family members to receive the sacrament.

Also please let me know if your child is ordering lunch on Wednesday Monday evening. We have to give Hopkins our lunch count Tuesday morning since they do not have school on Wednesdays.

Any questions feel free to email me any time!
