

# Apostolado Guidelines That Every Parish Should Follow

1. Talk to Susie about scheduling Apostolado at your Parish.
2. Once the date has been set, the Vocal must call Susie with the Name of the Topic and the Names of the 3 Speakers, ONE MONTH before the Apostolado.

## Information About the Speakers:

- A. No more than 3 speakers.
  - B. The Speaker should be an “outsider “, not a parishioner of the parish that is holding the Apostolado.
  - C. The Vocal of the parish hosting the Apostolado needs to check with the Vocal of the speaker’s parish if he/she is attending Ultreya. The speaker MUST be attending Ultreya and have the “Safe Environment Program” completed.
  - D. Use different speakers; *Do Not* ask someone who has already spoken at another Apostolado. Susie will keep track.
  - E. Once the speakers have been *APPROVED*, then it is the responsibility of the Vocal to talk to each speaker and let them know that they need to stay with the topic chosen and shared on how the Cursillo has helped him/her on his/her 4<sup>th</sup> Day. Also, *STRESS* that the maximum amount of time is 15 minutes.
  - F. Please let the speaker know that he/she *SHOULD NOT* bring a Bible (since it is not a Bible class) and to *NOT* bring his/her testimony written down. It is understood that one must prepare as to what one is to say but remember that the testimony must come from the heart. Once there, the Holy Spirit will guide you.
  - G. Speakers should *ARRIVE 30 MINUTES EARLY* so that they can make a visit together in front of the Blessed Sacrament and go over the guidelines.
- 
3. Vocal should ask the Priest or Deacon if he can give a 15 minute *Spiritual Talk* at the Apostolado. Please make sure that he rights down the date on his calendar. Two weeks before Apostolado, remind him of the date.
  4. Start on time. Begin with the Holy Spirit Prayer ( done by the person Leading the Apostolado). This Leader also *Welcomes everyone*, announces where the restrooms are, gives a 2 minute testimony, and then *Introduces the Deacon or the Priest*.
  5. End on time. At this time, the Vocal announces that the Musicians, Speakers, and Out of Town People will go first in line to eat.
