

Incoming 6th, 7th and 8th Grade Students: Summer Reading and Math Assignments

We will be using Google Classroom for both the summer reading and math assignments. Each student will take a quiz for the assigned book they are to read and they will also complete a math assignment consisting of math concepts and questions. These quizzes/ assignments are to be completed by **Friday, September 17th** and each will be counted as a grade for the 1st trimester. Below you will find the directions for how to access Google Classroom.

First, you must have a Maternity B.V.M. email account—if you do not, please notify Mr. McDonough.

Second, you will click on this link that will lead you to Google classroom.

<https://classroom.google.com/u/0/c/MjkwMDA0MzUzNTM5>

Third, you will need a code in order to access this classroom. This is the code:
ode6rza

Fourth, you will click the tab that says, “Classwork.”

Fifth, once you are on the Classwork page, you will see both the summer reading and math assignments for each grade. Be sure to click on the assignment for the grade you will be entering.

Sixth, you will read the directions for the assignment.

Seventh, once you are ready to take the quiz, you will click on the attached quiz for that assignment.

Summer Reading Books

Incoming 6th Grade: *Number the Stars* by Lois Lowry

Incoming 7th grade: *Football Genius* by TJ Green OR *Notes from the Dog* by Gary Paulsen. (You do not have to read both books, you may choose **ONLY** one)

Incoming 8th grade: *Fever 1793* by Laurie Halse Anderson
