

Loving Mother,  
We come to you today as we find ourselves in great need of your intercession.

We ask that you touch the heart, mind, and spirit of all who have the authority to make the decisions on the challenges that we are currently facing.

We ask that the path to our progress be cleared of any & all obstacles.

We understand that it is a privilege to come before God and worship Him. To give Him of our time, talent, and treasure because it is something that He invites us to do, but never demands. So we freely give of ourselves to ensure that His light comes into this world. We are His servants, willing to sacrifice, willing to work hard, willing to do what it takes to share His love and mercy with His people.

But we need His help. We are up against situations that are out of our control and we know that only He can help us through this.

Thank you, loving Mother, for your strength, guidance, and love. For hearing us out in our time of need and interceding for us. We know that with your support and that of your Son, Jesus Christ, there is no mountain that we cannot climb, no ocean that we cannot cross, no obstacle we cannot overcome.

Sweet Mother I place this cause in your hands.

Amen.
