### ***Welcome to Online Baptism Preparation***

Here are some tips to enhance your participation in our online baptism preparation session on Zoom.

#### **Entering the meeting room:**

- You can participate using your computer or your smart phone.
- To enter the meeting room, click on the link in the email sent to you by the host (Barbara Guenther); you will be directed to a waiting room, and the host will admit you to the class.
- When prompted, please allow Zoom to access your microphone and camera.
- Please turn your VIDEO ON so we can see your face 😊.
- Your microphone will be MUTED when you enter the room; please leave your microphone MUTED until you are invited to speak or share with the group, then you may unmute your microphone.

#### **Participating in the class:**

- This is a LIVE, INTERACTIVE class; please set aside the designated time to focus on the topics and make every effort to avoid interruptions.
- Please turn your VIDEO ON so we can see your face and know who you are 😊.
- Participants will be invited to share with the group; please wait until you are called upon to UNMUTE your microphone, so we can avoid many people talking at once.
- **Some questions you may be asked during the class:**
  - How did you choose the name of your child? What is its significance?
  - Why is baptism important for you, your family, and your child?
  - What can you do to help your child grow in faith?
- There is a “CHAT” box at the bottom of the screen (on your phone it may appear under “more”), that you can use to ask questions during the class.

#### **Certificates and scheduling:**

- Certificates will be emailed to participants in the days after completion of the class; the certificates are valid for two (2) years in the Archdiocese of Santa Fe.
- For those who are baptizing at Holy Rosary, the parish will contact you in the days following class to follow-up on any needed documentation and dates for baptism.

***Thank you!***
