

# HE IS RISEN!

From Sadlier Religion

What you will need:

After Jesus died, his body was placed in the tomb. It wasn't until Easter Sunday that he rose to new life. Part of celebrating the Easter season is recognizing the gift that God gave us in the Death and Resurrection of his Son. He gives us NEW LIFE! Just like this seed, God takes his time to make us better people! Be patient, water your plant, give it sunlight and watch it grow into a beautiful plant, just as God watches you and takes care of you!

*Lord, I pray that you guide me and help me be a better person as I continue learning and loving you more each day!*

*In Jesus name, Amen!*

Water me!

Place me in sun light!

Watch me grow!
