Start Something New This Lent Get Involved!

A new program for youth in Grades 8 thru 12 will be offered this Lent called Alpha Youth! We will be meeting in person in Vincentian Hall on the campus of Saint Thomas à Becket from 6:30 - 8:00PM. The evening will include food, games, and small and large group discussions. Alpha is a place to explore the Christian faith with others. It is a low pressure environment to discuss the big questions in life. Alpha session has three key ingredients: food, talk, and discussion. Every week we will begin with a meal, then there will be a talk [delivered in person or a video episode] that explores the basics of the Christian faith. After the talk will be a time of discussion in small groups (designated by grade) where youth can share their thoughts and questions.
