

Dear Friends,

I have said over and over again in the years I have been your pastor, that the most important thing we do as a parish is to pass down the faith we received from our parents to our children. Our Lady of Loretto School accomplishes this task and then some.

Committing to a Catholic education also means committing to the financial obligation of tuition. Our concern is that tuition is a financial commitment that is not fully possible by all families. It is our goal to be able to raise funds that will give needed assistance to these families in order for their children to receive a Catholic education at Our Lady of Loretto.

We need your help. I ask you to please support our Adopt-A-Student Program. This could be in a one-time contribution or a monthly contribution, whatever is easiest for you. I have been giving to our Adopt-A-Student Program for the three years I have been your pastor and I can tell you, from personal experience, that I feel good knowing I am doing my little bit to further Catholic Education.

I hope you will join me in giving to our "Adopt a Student Program". The future of our Church depends on what we do for our kids today. Thank you for considering a donation to our Adopt-A-Student Program.

Sincerely,

Father Brian Pastor
