

Dear St. Pius X Families & Community,

September 10, 2019

What a wonderful Back to School BBQ last Friday! We had beautiful weather—it was sunny! And not too hot, not too cold which allowed us to gather and eat in the courtyard. We are grateful to our Parent Club president Jennie Smither-Ryan and vice president Rhea Moore for organizing this wonderful event. Thank you to our grill masters Israel and Juan Ortega, along with John Olsen. Thanks to our Welcoming Committee, Betti Shiferaw and Linda Huynh, and all our parents who served, brought a dish to share, attended and helped cleaned up. It was also a great way to meet our new staff and catch up with our returning staff and share summer stories—thanks everyone!

We will see you all tonight at **Curriculum Night beginning at 6pm in the Gym**. Our **Jog-A-Thon kicked off this week** with a fun and entertaining skit at our all school Monday Meeting. Please make sure to follow & like us on Instagram #stpxschool and Facebook St. Pius X Catholic School.

Peace, Mrs. Farewell
