FULCRUM FOUNDATION TUITION ASSISTANCE GRANT PROGRAM INFORMATION

October 1, 2019

Dear School Families,

For those interested in applying for tuition assistance for the 2020/2021 school year you will need to apply online at <https://online.factsmgt.com/aid>. The link will take you to your FACTS account page where you will sign in with the user name and password that you set up for your tuition and incidental accounts. Once you enter the site there will be a tutorial and instructions on how to apply for both Fulcrum and parish assistance (your application will be used for both options). Instructions and customer service are provided in both English and Spanish. Once you begin your application process there will be an area at the bottom of the first page asking if you are applying for Fulcrum. You **must** click on the drop down and enter **yes** or you **will not** be considered for parish assistance. All school families that are requesting tuition assistance must apply for Fulcrum (tuition assistance given directly from the Seattle Archdiocese Fulcrum Foundation). The final step to your application will be to send FACTS your supporting documents. This information will be given to you once you are near the completion of the process. They will let you know which forms you will need and how to send them securely.

There is a small application fee. Once you have completed your application each family will pay a small fee to FACTS to apply for Fulcrum tuition assistance. The fee covers all Fulcrum applications for 1 year.

The application deadline is **January 3rd, 2020**. You may want to start now to ensure that you have enough time to gather all the information required.

If you need anything further that FACTS customer service cannot assist with, please contact Mary Brown at mbrown@stpx.org.

Sincerely,

Dottie Farewell, Principal

St. Pius X School
