

Dear St. Pius X Families & Community,

June 4, 2019

As we wind down the year please make sure to check dates and times as we have many events and celebrations coming up. **Our biggest celebration is the graduation of our 8th graders!** They have worked very hard in preparing for their next big move: high school. Graduation festivities will take place next Wednesday, June 12th beginning with Mass at 9am and ending with graduation at 7pm. Please join us.

St. Pius X will also be appreciating all volunteers who helped this year at the school and the church. The **Volunteer Appreciation Mass & Dinner** is a way to end the year as one community and will take place **Saturday, June 15 at 5:30PM Mass with dinner to follow.** This no cost, family-friendly event will recognize the good work by everyone who has helped on campus this past year.

Free Dress Pass with public library cards are still available! Each student is eligible to receive one free dress pass with proof of a library card. All you have to do is bring in your library card to the front office and you will get a free dress pass. Good for only one free dress pass per student. Check out your public library this summer to see what free and exciting games and events they have planned and start checking those books out. Another option is to read or listen to books online with the Audible or Overdrive apps—bring your parent or guardian along and ask your local librarian about these options. You may then access books no matter where you are this summer!

Yearbooks are in and will be distributed this Friday. Purchases may still be made in the front office. Cost is \$20 per yearbook.

Last week was Camp Week for our 5th, 6th and 8th graders at St. Pius X School. Our 5th & 6th graders attended Environmental Education at Camp Hamilton and our 8th graders were team building up at Warm Beach Camp in Stanwood.
