

Dear St. Pius X Families & Community,

June 11, 2019

We've made it—the end of the 2018-2019 School Year. Congratulations to our 8th graders as they graduate tomorrow.

We had a fun retirement party for Mrs. Moynihan last Thursday. We will miss you Mrs. Moynihan (especially for the Sacraments and at after school pick up)!

Remember to read this summer and practice your IXL Math. Teachers will be giving students the summer packets at this Thursday's "Moving Up" ceremony.

Please remember to request a carpool and neighborhood list from the front office. This will help make planning for next year easier, or if you want, connect with families at a local park over the summer.

Have a wonderful, safe, fun, adventurous and relaxing summer break!

Peace and many blessings,
Mrs. Farewell
