

Dear St. Pius X Families and Community,

July 23, 2019

Mid-summer greetings! I wanted to catch you up on the latest here on campus. We are busy working both in the office and on the grounds. Our biggest project, as you know, is the installation of the new windows. And I'm excited to inform you that this project is underway! We are incredibly grateful to everyone who contributed to this important capital improvement, whether as part of last

year's parish ACA or our "Springtime in Paris" school auction fund-a-need item, every contribution has made a difference. A big thank you to our project manager and facilities director, Mr. Paul Brown for his expertise and tenacity.

We have some family friendly and easy volunteer opportunities coming up in the next couple of weeks:

1) Our school will be participating in the annual Mountlake Terrace "Tour de Terrace" Parade on **Friday, July 26**. Would you like to volunteer to march in the parade or donate items to pass out? Contact the front office to sign up or respond to the SignUp.com email. We will be given our parade line up position at 6:30pm with the parade beginning at 7pm.

2) St. Pius X picnic is **Sunday, August 18**. We will have a school information table up and would also like to host Bingo. Contact Mrs. Farewell via email if you would like to help with either of these activities.

Don't forget we have St. Pius X Summer Camp 2019 which is going strong! There are only two more weeks left. Open to all parishioners and students in grades K through 8 for drop-in days or all week. Registration forms are available on our school website: www.stpx.org.

STPX Class of 2015 reunion at Edmond's Marina 7/23/2019

Mrs. Brown sent out the 2019-2020 School supply list last week—we've attached it once more to this newsletter and posted on the website for your convenience

Peace,

Mrs. Farewell
