

Welcome to the 2020 Children's Pilgrimage — Be a SAINT!

Did you know that God's plan for YOU is to be a SAINT?
How can this be? We are just average people.
But, so were the Saints!!!

As you journey with us you will explore the lives of REAL superheroes, our Saints,
and discover how **you can be one, too!**

Follow along the journey with
your **PILGRIMAGE MAP**

How to Enjoy this Pilgrimage:

Inside this packet you will find all of the materials you need to enjoy your virtual pilgrimage. Use the enclosed DVD (one per family) or visit the website (catholiclifeconference.org/childrens-pilgrimage) to access all of the amazing videos that will take you through the pilgrimage map on a journey to the summit of our faith!

As you journey up the mountain we will **stop at destinations** to pray and learn from Priests in our diocese ... maybe even ones you recognize! Then join us for a fun activity.

Take your time! Do ONE destination a day or ALL at once! It is up to YOU.

Plan to spend 30 minutes at each stop.

And don't forget...**POPPLE!** We are so lucky to have two amazing shows from our friends Dan and Kyle, bringing some crazy music and silly songs to our time with Jesus.
