In a new Apostolic Letter entitled *Patris corde* ("With a Father's Heart"), Pope Francis describes Saint Joseph as a beloved father, a tender and loving father, an obedient father, an accepting father; a father who is creatively courageous, a working father, a father in the shadows.

The Letter marks the 150th anniversary of Blessed Pope Pius IX's declaration of St Joseph as Patron of the Universal Church. To celebrate the anniversary, Pope Francis has proclaimed a special "Year of St Joseph," beginning on the Solemnity of the Immaculate Conception 2020 and extending to the same feast in 2021.

*Lord of light,*  
dispel the darkness  
in our hearts and our world.  
Fix our eyes  
on the light you send,  
and to trust that light  
will rise in the deepest dark.  
May Christmas come  
in our hearts and homes,  
and out into the world  
aching for light. Amen.
