

Dear faithful of our Parish community of St. Clare of Assisi,

These unprecedented times are calling all of us to change rapidly our life habits. We are all concerned for the spreading of the Covid-19 pandemic, for our health and the health of our dear ones, and for all the social and economical consequences of it.

In this time of difficulties rest assured of our prayers for all of you.

Unfortunately our Church, as all Churches in the Diocese of Toronto, is closed, and all our public activities are canceled or suspended, but we are trying to find ways to reach out to our community, to offer help and support in this time, especially to the most lonely and vulnerable, and to keep spiritually closed.

Few days ago we started to record our daily Masses at the Church and post them on our YouTube channel, which is easily accessible from the home page of our website.

We invite all of you, if you can, to watch them with your family, to find a time of prayer together, and to share this information with your friends and relatives. In this page (COVID-19 News) we will post updates and useful resources to keep you informed and help you living in faith this troubled time.

We are also working on the possibility of broadcasting live the Mass and other activities. In order to do that, we need at least 1,000 subscribers on our YouTube channel. Subscribing is easy and free. It is enough to go to our website, click on the link to our Daily Mass video and click on the button "SUBSCRIBE" which appears on the right side of the page. It's a little gesture of friendship which will help us to keep even closer in this challenging times.

Please do not hesitate to contact us by phone (905-653-8000) or email (saintclare150@gmail.com) if you need any help or support

May God bless you all

Msgr. John Borean and Fr. Antonello Murgia
