

Resources at St Michaels:

Preschool Workroom: To avoid using up the limited resources of St. Michaels Catholic Preschool and Kindergarten, this workroom will remain locked on Sunday mornings. All books have been moved to the Sacred Heart Hall workroom.

Please keep in mind that we share our learning space with SMCPK and their supplies and resources (for the most part) are kept separate from ours. They have closets that are marked for their use only. We have to be sure that if we do borrow something (with permission), we return it in a timely fashion and in good condition. THANK YOU!!!

Sacred Heart Hall Workroom: Books, craft supplies, first aid supplies, and teacher supplies can be found here. This workroom is located next to SHH#7 (the opposite side of the water fountains in Sacred Heart Hall.) If you need something special for a craft project and can't find it, email Geri by Thursday and I'll have it in your classroom on Sunday morning. (I don't work on Friday.) If it's available on Amazon Prime, I can order items but will need the order information a week in advance.

Sacred Heart Hall #7: There are MANY posters located in a lower cabinet that you can use in the classroom.

Books: Bibles have been distributed to classrooms in SHH rooms 1-6. You can find a variety of books for all ages in the Sacred Heart Hall Workroom. Shelf labels indicate types of books found in each area. Also, if you know of a particular book, it may be available in the SMCPK library, and I can ask to borrow it. This library will be locked on Sunday mornings, so you have to ask in advance and return by the end of class. IF you would like the church to purchase a particular book, I will consider that as well. 😊

VIDEOS or other Electronic mediums to share with your kids:

- **Formed.org:** This website is available to all parishioners and it has a huge selection of videos, audiobooks, podcasts, and documentaries on everything Catholic. It is like Netflix for Catholics! And it's free, thanks to our parish subscription. The code is P97ZYF if you are a first time user. Please feel free to use this for your classroom, but keep in mind that you may need to reserve a TV or projector. You also may need to use your own laptop for a connection.
- **BLESSED videos** by Dynamic Catholic: These videos are intended to prepare students to receive the sacraments of Reconciliation and Eucharist, but can be used in other classes as well. The videos are available online at www.dynamccatholic.com/blessed and we have other supporting material as well. You will need to reserve a TV or projector to show these, and you also may need to use your own laptop for a connection.
