

# FOSTERING GENEROSITY

## Why Donors

# GIVE THROUGH

**the Catholic Community  
Foundation**

It is important to Catholics to support the parishes, schools, and nonprofit ministries that shape their souls. A donor's gift establishes a legacy of love for others and transforms the lives of those in need.

In giving through the Catholic Community Foundation (CCF) to the charities that matter the most to them, **donor benefits include...**

- **Socially Responsible Investing:** The majority of CCF's funds are invested in accordance with the USCCB's Socially Responsible Investment Guidelines.
- **Faith-Based Priorities:** Donors proudly support Catholic causes through their wills, endowments, and more.
- **Sustain Our Catholic Heritage:** Donors serve future generations by earmarking funds for favorite charities or by giving unrestricted dollars to causes that touch their hearts.
- **Ease of Collaboration:** CCF's philanthropic experts easily collaborate with donors' personal advisors, like attorneys and CPAs.
- **Range of Accepted Gifts:** By donating stock, appreciated securities, or property, donors avoid capital gains and receive a charitable deduction for their gift's full market value.
- **Tax Advantages:** As a 501(c)3 organization, CCF offers donors advantageous tax benefits.
