Educating the Whole Child:
Mind, Body, and Spirit

DAILY COMMUNICATION

A daily communication sheet will be sent home every day in your child's folder. The sheet will document all reminders and highlights of the day. Teachers also use the Class DoJo app and email as other forms of communication to share pictures, updates, and reminders.

PARENT INVOLVEMENT

There will be many opportunities for you to be actively involved throughout the year. Attending mass, school events, and classroom activities will help maximize your child's educational experience and establish a cooperative relationship between home and school.
