

*A community where we are family and
we share our many gifts generously*

Dear Parish Family,

Thank you to those of you who have already signed up to support our parish family Online.

If you haven't signed up yet, we would like to remind you to consider sharing your financial gifts with us by signing up to give online. Being able to give online makes donating simple and easy, while at the same time keeping the process safe and secure. We believe that by offering online giving, we will be able to engage more of our parish families to join us in supporting the important work we have been called to do together.

It's very simple to set up a one-time or recurring donation and allocate the amounts of your choice to any of our different collections. Once you start to use it, you will be able to view your complete, accurate financial records at any time during the year. Those of you who wish to continue using traditional methods of offering may do so, however, we are sincerely asking that you prayerfully consider switching to giving your gifts online. Your choice to give online will help our parish to be better stewards of our Time, Treasure and Talent.

Please take a moment to review the directions on how to create your online giving account. If you need help setting up your account, please don't hesitate to call the parish office. Please prayerfully consider giving to our parish community online as it does benefit our parish in many important ways. Let's begin this journey of faith together!
