

## St. Edward's Catholic School

**Fridays are now full days with release at 3:30 PM as normal.**

### **Variety Show:**

St. Edward's students will be holding a Variety Show on Thursday, May 13<sup>th</sup>! Try-outs have already occurred but if your child still wants to participate we can do a quick tryout tomorrow, Tuesday, April 13<sup>th</sup> after school. Please contact Mrs. Hild at [hild-angela@sainteddie.org](mailto:hild-angela@sainteddie.org) so that I know who to expect.

**Some teachers (Kinder, 3<sup>rd</sup>, and preschool so far) are preparing a number with their entire class and for those numbers, an audition will not be necessary.** If students choose to try-out, they may leave as soon as they have finished their audition. We will be looking for a variety of talents to showcase so different is better! If a student is chosen for the Variety Show, they will need to be available for an afterschool practice on Thursday, April 29<sup>th</sup> and possibly more dates!

### **Upcoming Events**

**April 14**

**2<sup>nd</sup> Communion Celebration at  
Mass 8:45 AM—2<sup>nd</sup> reads  
Track Meet @ Kimberly**

## Mars Rover shout-out:

Great job to our Mars Rover Teams in Pocatello. They did an OUTSTANDING job in presentation and showed so much fortitude and perseverance when it came to all other aspects. This whole program is about adapting to change and working together so they excelled in those areas!

## STAR DESTROYERS

(Jacklyn Faria was on this team but not pictured)

## MARZ DESTROYERS

## Summer Clean-up/Handiwork:

- Our school needs some tender, loving care from skilled workers including masonry work, painting as well as just general deep cleaning. This summer time work could count towards the 2020-2021 school year OR the 2021-2022 school year. Please check in with Mrs. Hild if you know of someone that could do the brick/cement work, paint or help clean our school up to start with a fresh look!

## Help us show your child's best:

We are testing 2<sup>nd</sup> through 7<sup>th</sup> graders in the MAP (Measures of Academic Progress) in April as well as the IRI (Idaho Reading Indicator) for kindergarten through 3<sup>rd</sup> grade students.

- Make sure your child gets plenty of rest during the week.
- Sleep recommendations:
  - **Ages 3-5:** 10 to 13 hrs
  - **Ages 6-13:** 9 to 11 hrs

- Eat a good breakfast at school or before coming to school.

- Encourage your child to do their best on the test and use their God given gifts so that they know you find their efforts important!
