

## Make Your Mark in St. Mary's, Los Gatos History!!! Come on.... Hit us with a Ton of Memory Bricks!

The time has come!!!! The groundbreaking for the first St. Mary's School was in 1954. Now, 59 years later, we are embarking on a new phase for St. Mary's School and Parish. We invite you to be a remembered part of our history!

When you purchase a brick, personalized with your family's name, child's name, or as a gift for a loved one, you will not only **Make Your Mark** on the new Abby Sobrato Junior High School building, but you will also enable future students to benefit from a St. Mary's value-centered Catholic education in modern, updated buildings and/or make needed parish improvements.

All gifts to the **Make Your Mark Program** will be directed to the school buildings or parish improvements. With your help, needed upgrades for the grammar school and church can happen!

**Bricks will be located** throughout the parish and school grounds.

(Note: All persons giving \$500 or more [to the Centennial Campaign](#) will automatically get one 4x 8 brick with name only – choice of family name or husband and wife with last name. These bricks will be located in front of church.)
