

# Pentecost Sunday

COME HOLY SPIRIT

*Our Lady of Peace Church*

*May 23, 2021*

## A Note from Matt

Well, we have finally concluded the Easter season, and now celebrate these next few important weeks before Ordinary Time. This weekend, we celebrate the Feast of Pentecost, the birth of the Church. The Fire of the Holy Spirit came down upon the Apostles, and thus the Mission of the Church began.

Together, we continue that Mission by working together, bringing peace, love and Christ to everyone we meet. Through the actions of St. Peter, the first pope, we are united by a common language, and a common zeal to "Go out into the world, and tell the Good News!"

So, let the Spirit Wind, flow through our lives, and HAPPY BIRTHDAY Church!

Peace to all this week.....

-Matthew

# Fr. Casey Cole Live

American Franciscan Friar, Catholic Priest, writer, and blogger **Fr. Casey Cole** will join us here at Our Lady of Peace on **Wednesday, June 9, 2021** for a GREAT evening.

Fr. Casey will **celebrate the 5:30pm Mass** in Church followed by a **socially distant barbecue** and **evening presentation** on the Corporal Works of Mercy in Cummins Hall.

Fr. Casey runs his own YouTube Channel called **Breaking In The Habit** and is the author of the books, **Let Go: Seven Stumbling Blocks to Christian Discipleship** and **Called: What Happens After Saying Yes To God**.

RSVP to Our Lady of Peace via email: **office@olpchurch.com** or call **216-421-4211**.

# Parish Finances

As always, we are **ever-grateful** for your kindness and generosity to Our Lady of Peace, especially during these times of pandemic. Know that your goodness helps keep our parish in **GREAT** shape, and that countless members throughout the community receive many blessings because of you. We will have our report back **next week**, as there were some **technical difficulties in reconciling** the Faith Direct deposits from this past week. Thanks so much for your patience.

# Liturgical Ministries at OLP

We would love to see you **come back and pick-up where you left off** in your liturgical ministry when the pandemic began. If you are **interested** in a liturgical ministry for the **first time**, we would love to talk to you!

Email Kim in the office, **office@olpchurch.com** for information to begin or continue your ministry of Lector, Eucharistic Minister, Altar Server, and Music Ministry, and we will get you in touch with the right person!

## Safety at Church

We are **awaiting guidance from the diocese** which should come at the beginning of next week, however, we would like to **receive feedback** from you on the following. Our thoughts are to **relax practices where it does not compromise safety** and to **maintain practices that are not that big of a sacrifice.**

Some examples/ideas include:

**Continuing to maintain an “every other pew” configuration to keep people spread out**

**Continuing our practice of staying put in your pews with communion brought to you to avoid overcrowding**

**Continuing to use a separate pulpit for the lector** (*most of our altar servers have not been vaccinated, so this gives them some extra protection*)

**Rely on the honor system for masks:** *If you have already been fully vaccinated (two weeks has passed since your final dose), masks are optional. Those not vaccinated should continue to wear a mask. This takes effect on June 2*

**Reopening the church during the day**  
(*with most sections roped off*)

Once again, we need to **wait for more directives from the diocese.** These are only ideas at this point. We know many people come to our church because of its spaciousness and our commonsense protocols. **We want everyone to continue to feel safe and comfortable at church.**

Please let us know what you think or if you have any other suggestions.

Please **email with your feedback** to **office@olpchurch.com.**

We will report back your responses.

**Thank you** for your **patience, tolerance, charity, and goodness** as we all continue to muddle through this crazy year and some.

**We are almost there!** Stay strong.

## Childhood Cancer

Young Parishioner, **Adam Holbrook**, is continuing in his 8th year of the St. Baldrick's Foundation fundraiser. See his note below, and please donate to this very important cause if you can. Thanks so much....

Hi all! On Friday I am **shaving my head for the 8th year in a row for the St. Baldrick's Foundation!** The foundation is a charity for **research on childhood cancer.** This is an issue that means very much to me, so I appreciate anything that you can contribute.

You can donate at:

**<https://www.stbaldricks.org/participants/mypage/1084389/2021>**

*Dear Lord, bring your blessings and healing hand upon all children suffering from cancer. Pour out your comfort, love and grace to them, and their families as they navigate through these uncertain times in their lives.*

*We ask this through Christ our Lord, Amen.*
