A Note From Matthew

It seems like yesterday that we were all stuck in our homes and could not do anything. Frustrating wasn't it? I know that my wife and children found it difficult as well. But you know what, I really think (as I have come to say) there are so many positive things that we gained. I think that we, as Catholics, felt like we lost so much in our Faith, especially with not coming together to celebrate the Eucharist in person. Thank God for technology, but for most of us, it's just not the same as being here, in the house of the Lord. Do you feel like you had such a longing that your faith was renewed? Do you feel closer to God when you are here in person? Do you truly feel what was missing for so long? Seek this answer in your heart and mind this week. *There is a longing in our hearts O, Lord, for you to reveal yourself to us. There is a longing in our hearts for love, we only find in you, O God.....*

Community Breakfast

Gone for so long because of Covid, we are thrilled to bring back our important **Community Breakfast this August!** What a great example of putting the **Coporal Works of Mercy** in action.

We are looking for people to **help support** our team leaders that come together **once a month** to cook, set-up, decorate, greet, and be great neighbors of faith and love to all who come and join us for breakfast. Please send an **email to office@olpchurch.com** to let us know if you can help this important ministry for our community.

Beginning at the **4:00pm Mass on August 7, 2021**, we will re-start our monthly **Wine and Cheese** gatherings **after Mass**. School Honors

The end of the school year is here, and what a year it has been for so many students. Below are names of our **parishioners** that attend at **St. Ignatius High School**. They received **First Honors** in their academic studies.

Patrick McConville

Samuel Navracruz

May God bless them, and all our students as they continue to **study and grow** for their **BRIGHT** future that lies in their may pathways ahead.

Tanzania Classroom

WOW! That's all we can say. Your generosity has shined a light of **HOPE** in the world. Fr. Faustine is continuing to work on the fundraising for the **First Catholic High School in Tanzania** that they will build. We had hoped for support for one classroom, but instead, we have supported **THREE CLASSROOMS!** Our Lady of Peace continues to **support and work together all around the world** to bring the Mission of Jesus Christ to all. **May God bless you**, and we will keep you updated on all the progress in Tanzania!

Home to the Lord

Recently we will/have commended to the Lord the following Parishioners:

May the Lord welcome them into His open and loving embrace, and may all the faithful departed rest in peace.
