Dear Father Chmura,

I can hardly express how much I appreciated your letter of introduction of July 11. It means so much to our C.P.P.S. priests and brothers to know that we will be remembered and welcomed at places where we have ministered. As Missionaries, we often must move on from places that are very dear to us. To know that we will always have a home at St. Adalbert/Our Lady of the Blessed Sacrament is so affirming and brings us a lot of joy. I served at St. Adalbert/Our Lady of the Blessed Sacrament for a year as a seminarian back in 1979-80.

I will pass along your words of thanks to our members and also the kind invitation that you posted on our Facebook page. Unfortunately I will be in our Chilean missions on the day of your celebration. Know that I will be celebrating with you from Santiago!

Just as you say we will always have a home at St. Adalbert, please know that you and the people of St. Adalbert/Our Lady of the Blessed Sacrament will always be remembered in the prayers of our Congregation. We hope that you will enjoy all of God's blessings and that the parish will grow and thrive in your care. Thank you for letting the people know that they will always be a part of our Precious Blood family.

Sincerely in the Precious Blood of Jesus,

Very Reverend Larry J. Hemmelgarn, C.P.P.S.
Provincial Director
