ARCHDIOCESAN NEWS

The past few weeks, we have heard **about the testing and development of safe and effective COVID-19 vaccines**. There has been continuous conversation within the Catholic community about the safety and morality of these vaccines. Both the Moderna and Pfizer have developed vaccines using mRNA, without the use of controversial fetal cell lines. Both vaccines have been tested in an ethical way in line with previous moral statements made by Pope Benedict XVI and the Pontifical Academy for Life. **Receiving either vaccine would be morally permissible** in the Catholic Church and would also be an important pro-life decision that would help to defend the most vulnerable. Through our own personal actions and decisions, we can help to protect our neighbors from the coronavirus pandemic.

This year, the **Youth Rally and Mass for Life** will be held virtually on January 29, 2021. We will offer live streaming on multiple platforms, beginning at 8:30 AM on Friday, January 29. Mass will begin at 10:00 AM, and will transition into live coverage of the March for Life on EWTN.

The **Cardinal's "MADE IN GOD'S IMAGE" website on Anti-Racism** has been updated: <https://adw.org/living-the-faith/our-cultures/anti-racism-initiative/>

Worship and Prayer Resources have been developed by the ADW for individuals to continue prayer during the times of the coronavirus. go to adw.org/wp-content/uploads/sites/2/2020/03/20Coronavirus-Prayer-Service-at-Home.pdf **How to hold a prayer service at home**.
