52 Years of Loving Care & Compassion

On June 28, 1964 the Sisters opened the doors of Mary Health. For 52 years the Sisters and staff have provided loving and compassionate high quality care to more than 4,000 men and women. The Sisters at Mary Health are dedicated to helping in the personal life transition of each resident, with a spirit and expression of love and concern, *regardless of a resident's faith background or ability to pay for these services*. The Sisters accomplish this by providing optimal health care services and programs that contribute to the physical, psychological, social, and spiritual well-being of the residents they serve.
