Thursday, April 23, 2020

Dear Partner:

The Sisters at Mary Health of the Sick Convalescent and Nursing Hospital, are pleased to announce the **23<sup>rd</sup> Annual Fundraising Spring Luncheon, *Visions of our Past, Present and Future*** to be held on Thursday, April 23 at Sherwood Country Club. Our 2020 Spring Luncheon promises to be a grand day, with our annual boutique with unique vendors, silent auction and raffles along with complimentary champagne and entertainment.

Your support of the Spring Luncheon will allow us to fund an aging Resident Call Light System with cutting edge technology and further bridge the funding gap and further the Sisters' mission of high-quality healthcare and will make a positive impact on the quality of life to each of our long-term and short-term residents.

Mary Health of the Sick Convalescent and Nursing Hospital, a high-quality Medicare and Medi-Cal licensed skilled nursing facility located in Newbury Park. We are a non-profit 501(c)(3), a non-sectarian facility owned and operated by the Servants of Mary, Ministers to the Sick. The Sisters' mission is to provide the best possible care and compassion for our long and short term residents.

Thank you for your kind consideration to support our 23rd Annual Spring Luncheon as it will help us to provide the long and short term residents the best care possible.

With Gratitude,

Karen Jensen
