Happy New Year and Blessings for 2020 from the staff and students at St. Mary School.

As we all review the year gone by, we are reminded of special events, friends and family, and especially the many wonderful gifts God has given each and every one of us. As I took down my Christmas tree, I continued a tradition I started many years ago. I say a prayer for each of the students who gave me ornaments or Christmas items as I put them away for another year. I often think of special moments shared with all of them. Many of them are married with children of their own. I pray for all of them to be enriched by the love God offers them each and every day.

The students are back to working on their studies and starting some new classes. Mrs. Paiser is teaching Spanish on Mondays and Thursdays with the help of a great online program known as Duolingo. I am grateful for her expertise to take on this challenge. We are also having physical education four mornings a week with help from Mrs. Schaefer and Mrs. Massey. We are continuing our "character education" program every morning, and added "protecting God's children" to that program. Sam Zirbel and Ian Stanz are working on a performance piece for the Dioceses Annual Forensics Meet in February. We also congratulate Sam Zirbel on having his Christmas artwork featured in the Compass. Bravo, Sam!

We are all looking forward to Catholic Schools Week with a kick off breakfast by the Knights of Columbus after mass on January 26th. Please join us and talk to our students about everything they are doing at St. Mary School. All the students contribute to our school in ways big and small. Ask them to share their story with you, and maybe you have a story from Catholic school that you could share with them. We also plan on singing a song at mass on the 26th. As we all continue our journey in 2020, we ask for your continued prayers, and please know that we pray for all of you, our St. Mary family.

Blessings to all,

Mrs. Cindy Massey
