The “**Giving Tree**” will be set up this weekend in the Church St. entrance only. This year it is more important than ever to remember the people in our community who are feeling isolated or in need. Each ornament has initials at the top. Ex: ALTC with a number. A clipboard with a sheet has corresponding initials and numbers (hand sanitizer will be available). Please put your phone number (name optional) on corresponding sheet. This helps us keep track of any ornaments/gifts that haven’t been returned by the **due date: Dec. 5th/6th**. It is not necessary to buy all the items listed on the ornament. These are only suggestions. Please wrap the gift, even if it’s a gift certificate. Everyone likes to open presents and it’s safer. Tape the ornament to the gift. Please use **Scrip** when possible. If you would rather give money, we will shop for you. Your prayers for the person/persons are always welcome and appreciated.

If you are unable or uncomfortable entering church we have 2 options:

-You can send a donation to the parish office marked for the “Alice Moran Giving Tree Fund”.

-You can contact the parish office(920-487-5005) with your name, phone number and preference of adult or child recipient. Someone from the Stewardship Committee will select an ornament for you and call you with the details.

A handwritten note sharing Christmas wishes would mean a lot to the recipient this year. Thank you, and may God bless you for your generosity and prayers!

School News

Amidst all the anxiousness that is surrounding our community and loved ones, we have seen our students this school year bond even more than ever. It truly amazes me each and every day to watch the interactions of the students with their peers and those in other classrooms. We have some very strong leaders amongst them who will go on to make a big impact once they have left us.

We recently wrapped up a week full of activities while celebrating Red Ribbon Week. Dressing up for these days is always a treat and the kids enjoyed being able to show off their Halloween costumes.

As we lean into the month of November, we are also encouraging our students to care for those who are less fortunate than they are. We will be packaging shoeboxes for Operation Christmas Child on November 20th. This will be our 7th year undertaking this mission project. Last year, we were able to package 75 boxes and hope that we can top that number! As always, your contributions to our project are welcomed and appreciated.

We've been doing quite a bit of traveling in our studies too. Students in grade 3 are taking a trip through the west on the Oregon Trail. They've been pretty excited to play the online version of the game and see just how far west they can go. We also learned where our families immigrated from and discovered that the majority have German, Belgian, and Bohemian ancestors. We continue to learn more about the world at large by exploring with our Yum Yum subscription. Our latest adventures have taken us to Russia and Italy. The kids thoroughly enjoy this tasty experience!

Have a blessed harvest season and as always thank you for your ongoing support.

Mrs. Emily Paiser
