

Baylor Scott & White Hospice is in need of volunteers in your area. Volunteers work side-by-side with the professional staff to provide patient and family support. As a friend who pledges to be with them through the uncertainties of the weeks ahead, volunteers offer patients and families a listening ear, a hand to hold, and the presence of a caring heart.

*If you would like to volunteer, but would rather it not be direct patient contact, there are always opportunities for volunteers in the office to assist with administrative duties!*
