

**Adaptive Reconciliation Kit
For Individuals with Autism and Other Special Needs**

It can be difficult for individuals with autism and other special needs to meet USCCB requirements for Penance and Reconciliation – to be aware that they have sinned, to have a sense of contrition for committing a sin, and to express repentance through word or gesture.

The learning tools in this kit have been used successfully by many individuals to enter fully into the faith experience and to participate in the Sacrament of Penance and Reconciliation.

**Adaptive First Eucharist Kit
For Individuals with Autism and Other Special Needs**

It can be difficult for individuals with autism and other special needs to meet USCCB requirements for receiving the Eucharist – to distinguish the Holy Eucharist from ordinary food and to receive the Eucharist reverently.

The learning tools in this kit have been used successfully by many individuals to enter fully into the faith experience and become prepared to receive the Eucharist.

**Adaptive Confirmation Preparation Kit
For Individuals with Autism and Other Special Needs**

The Adaptive Confirmation Preparation Kit is an effective and inspiring way for individuals with autism and other special needs to prepare to receive the Sacrament of Confirmation. With this kit, individuals with special needs, along with their families and parishes, have the proper tools and resources to fully participate in this milestone sacrament.

The learning tools in this kit will help individuals successfully enter into the faith experience, prepare for the Sacrament of Confirmation, and live their lives as participating members of the Catholic Church.
