What is so surprising is that they have the same concerns of very age and every place: to help the poor, to teach the faith; to pray, be humble and care for all: to make peace overcome prejudice; to help the Church to be what it should be. Many of these saints have given us famous prayers or hymns; others had their own prayers and thoughts which we can share, and which can equally well be used by any Christian today. **19.WALS**
