

Fatima: the Movie (2020 Release) Resources

1. At Home. On Demand. The film is available to households for on most sites where you typically watch movies. Information on that is here: <https://www.fatimathemovie.com/watch-at-home/> Groups, like parishes or ministries, should not buy a single code and then watch it in a parish or other setting. This is meant only for rental at home.
2. Cineplex will be making multiple codes with discounts available for groups, parishes and dioceses who would like host virtual viewing parties. Each household would still need a code, but there is a discount for larger volumes bought together. Click <http://bit.ly/FatimaCanada> to complete a form for group codes.
3. We also have a number of resources available for families on the website: <https://themoviescreener.com/fatima/resources/> Coloring pages, Activity Sheets and Share Tools for Social Media
4. The new Ignatius Press book, FATIMA: 100 Questions About the Marian Apparitions is out just in time for the movie and is a terrific resource for those who want to know more about Fatima. These books can also be purchased in bulk if there are councils who would like to host movie watch parties and then book clubs virtually or in person <https://www.ignatius.com/Fatima-P3661.aspx>
5. Our PRAISE page features the videos of Bishops from around the country who have lent their voice to support Fatima: <https://www.fatimathemovie.com/praise/>
6. There is a sweepstakes which might be of interest. You can find it here: <https://www.fatimathemovie.com/sweepstakes/>. A beautiful statue crafted by the Crown Jeweler of Portugal has made this available to Fatima film fans!
7. Watch our webinar! We give lots of helpful tools and ideas to make Fatima an event for your family, parish or diocese! <http://bit.ly/FATIMAFILM>
