All of us have special talents or gifts, which are a sign of the power and majesty of God, who can do all things. These talents and gifts are not given to us just for our own use, but are given to us for the enrichment of the lives of others and so that we can serve God better.

St. Peter in his first epistle tells us, "Each one of you has received a special grace, so like good stewards responsible for all these different graces of God, put yourselves at the service of others."

God gave you talents as a gift. Praise God by using your gifts well.
