MISSION STATEMENT

We, the members of the Church of St. Jerome, believe in our Lord Jesus Christ, the Savior of the world. Empowered by this belief, we seek through the celebration of the Mass, to be Christ's presence in the world. Having celebrated the Liturgy of the Word and the Liturgy of the Eucharist in the Holy Mass, we strive to build Christian community through prayer and service. We humbly place all our efforts under the special patronage of the Blessed, ever Virgin Mary, the Mother of God and our mother in the faith.

Twenty-eighth Sunday in Ordinary Time ©

2 Kgs 5:14-17; 2 Tm 2:8-13; Lk 17:11-19

A young Howard Kelly was poor and hungry, knocking on doors for a bit of charity. At the last door, discouraged by so little response that day, he merely asked for a glass of water from the young girl who opened the door. Realizing he was more than thirsty, she brought him a glass of milk. He asked what he owed her and she responded, "Nothing. Mother has taught us never to accept pay for a kindness." Little Howard responded simply: "Then I thank you from my heart." Years later this same little girl was a seriously ill, middle-aged woman. She was transferred to the city hospital and treated successfully by a specialist. After months of treatment and medication, she overcame the disease and returned home. When the bill arrived, she feared to open it because, although not totally poor, she was of humble means. Peering inside the envelope, she found this message on the bill: "Paid in full with one glass of milk. Dr. Howard Kelly."

Our acts of kindness never go unpaid, and a little love goes a long way toward transforming the world. True gratitude is never just a word on the lips but a lifestyle and an attitude of a noble heart. A grateful-hearted person knows that all we receive is a gift, and we should return those gifts to those around us. Our biggest benefactor is God himself, who has given us life, love, and eternal salvation. May our Lord be the first one to whom we return our gratitude!

ADORATION OF THE BLESSED SACRAMENT

Dear Padre

What is a "Doctor of the Church?"

Institutions of higher learning confer doctorates on those who make significant contributions to a particular discipline. Likewise the Church, as an institution of higher enlightenment, confers the title "doctor" on those who have significantly illuminated Christ to his disciples.

Doctor is derived from the Latin *docere*, "to teach." While all saints are recognized for their exceptional holiness, popes or an ecumenical council may bestow the honorary title of "doctor of the Church" to saints with exceptional wisdom and learning. These rare individuals have contributed profoundly to a greater understanding of the faith, making a monumental theological or doctrinal impact on the Church.

The Church has thirty-six doctors. Saint Gregory of Narek was the most recently named in 2015. Saints Ambrose, Jerome, Augustine, and Gregory the Great were the original four. Saint Thomas Aquinas (1225-1274) was accorded the distinctions "doctor angelicus" and "doctor communis" for his purity of life and clarity of thought that were thought to stretch beyond the confines of the human intellect. Saint Catherine of Siena (1347-1380) became a "shuttle diplomat" as she developed peace treaties between warring political factions in Italy in the fourteenth century. Saint Teresa of Ávila (1515-1582), whose feast day is October 15, remains the hallmark of those seeking to engage in a more mystical spirituality. Saint Alphonsus Liguori (1696-1787) was named a doctor the quickest of all, a mere eightyfour years after his death.

These doctors proved themselves to be trustworthy guides for both protecting and developing the great treasure that is our faith.
