

Dear Saint Nicholas Religious Education families -

It seems we were just gathered for our last day of class - leaving we were wondering more and more about the days ahead. In this pandemic many are looking for answers and wondering what the normal will look like.

We'll be starting classes Sunday September 20, 20²⁰. Class time begins at 9:15 A.M. and continues until 10:30 A.M. This year we will be meeting for classes in the Saint Nicholas Office Building (the previous Convent). We will be welcoming returning teachers and helpers along with returning students and new. Some new programs for the grades and other activities which will make for a very interesting and informative year for everyone!

The Confirmation program is a two year program. If you would like your child to be Confirmed when he/she is in the 8th Grade, he/she must begin classes this Fall as a 7th Grader.

Please find a registration paper enclosed - if you have more than one student returning please list their name(s) on the bottom of the registration paper and what grade they will be entering.

Thank you for taking the time to do this - and thank you for fulfilling the Promises you made on the day of your childs' Baptism. Let us pray for one another as we continue this journey.

Thank you - Suzanne and Kevin Dooley - 740 - 319 - 2170
