

**Student Leadership Positions**  
**Executive Board (E-Board)**  
**2020-2021**

UCatholic has many opportunities for students to serve the Lord and share their gifts. The Eboard positions below are open to active members of our ministry, undergraduate full-time students at UM. The positions are appointed after students have put forward their name for consideration. Each student leader works closely with the Chaplain and Campus Minister. Positions are active for both the Fall and Spring semesters.

**General Leadership Commitments**

**Prayer:**

The basis and foundation of all that we do is prayer, so it is vital for our leaders to have an established daily prayer routine. This can be further discussed and ideas shared by chaplain or campus minister to find the best prayer routine for where you are at.

**Mandatory Meetings:**

- Leadership retreat and planning weekends: this takes place before semester begins and before it ends. Plans need to be arranged to come back to Miami early to be present.
- UCatholic Fall Pre-Orientation Event: this new, two day event will be run by our student leadership teams. It's a welcome event for our incoming freshman (Aug 17 & 18)
- Weekly leadership formation meeting during the semester (1 hour)
- Weekly Eboard Meetings during the semester (1 hour)
- College Semester Retreat: dates released for both semesters by Aug 2020

**Involvement in UCatholic:**

- Participation beyond whatever your position requires of you is key to being on team and meeting the needs of our outreach
- Weekly 8pm Sunday College Mass
- And participation in another weekly event: Tuesday Mass & Meal, Thursday Thrive, Womens/Mens small group

**Evangelization and outreach:**

Leaders need a heart open to growing in the missionary call of discipleship, sharing the journey with other students, and creating a welcoming environment at all events. All leaders should take personal initiative to reach out to students who come to the events as well as foster friendships beyond events.

**Moral Leadership:**

The public behavior of a Christian leader is a critical aspect of serving in a campus ministry position. This is especially true in the areas of alcohol consumption, gossip, and chastity. Student Leaders take seriously their responsibility to be an example to the younger students and other leaders. If behavior of a leader is deemed to be publicly offensive or scandalous, the leader may be suspended or removed from his or her position. In particular, student leaders will observe legal limits on drinking and drinking

age and will refrain from serving alcohol to minors or in any way facilitating underage drinking. Student leaders will refrain from sleeping at the apartment of someone of the opposite sex- most especially someone he or she is dating. Student leaders will dress in an appropriate way—that is, not sloppy or immodest—especially at Sunday Mass and ‘official’ Church events.
