

Send a Hero Home for the Holidays

The Knights of Columbus have always been there to support our men and women in uniform serving our country. Now is your chance to work with us in continuing this legacy.

Within the Diocese of Trenton there are 5 bases performing several important missions within our military. In 2013 the Knights of Columbus within the diocese started a program to identify those junior enlisted personnel stationed here who are unable to afford the cost of a round-trip ticket to return home to be with their families on Christmas morning and provide them with one, providing they have the 'leave' time and are eligible to do so. To our delight that year we were able to reunite 11 service men and women with their loved ones making Christmas Day even more special. Last year that number grew to a phenomenal 224! Several recipients said they hadn't been home for Christmas in many years and to be given the opportunity to wake up in their old rooms in the midst of their families was the greatest gift they could have received.

2020 has been a year filled with challenges, if you are in a position to help get a hero overcome the challenge of getting home this year it would be gift long remembered.

All donations, in any amount, will go a long way toward reuniting them with their families. Remember, there's no place like home for the holidays!

Thank You!
