

SOCIETY OF ST. VINCENT DE PAUL
VINCENT'S LEGACY FURNITURE OUTREACH CONFERENCE
"Helping to Turn Our Neighbor's House into a Home"

Outreach email

Brothers,

I wanted to share some important information with you about the Society of St. Vincent de Paul/Vincent's Legacy Furniture Outreach Conference. In short, this ministry is unique in the state of New Jersey for several reasons:

- It is one of the largest, if not the largest, all-volunteer furniture outreach program in the state.
- Vincent's Legacy accepts only quality, gently used furniture and household goods donations and then distributes them to those in need across several counties.
- Their volunteer team conducts pre-delivery visits to each residence to determine the vetted family's particular needs so that the furniture and household goods they receive provide them with a feeling of "personal home comfort".
- Now in its 11th year of operation, Vincent's Legacy has provided well-orchestrated, sustained support to over 1,200 family members.

Attached is a "background information" document for your reference, which details the history of this ministry and its progress over the years.

If you would like more information about volunteering or supporting Vincent's Legacy to enable us to continue to support others (especially now in the wake of the ever-increasing demand for assistance generated by the long-term economic effects of COVID-19) please contact us.
