A MEXICAN CHILD HEALED HIS FAMILY THROUGH EUCHARISTIC ADORATION

This story took place in Merida, capital of the State of Yucatan, Mexico, in the first chapel of perpetual adoration established by the Missionaries of Our Lady of the Blessed Sacrament in that city.
Father Hilleman reported that the little boy, in one of his talks, “If you sign up at dawn, Jesus will bless them a hundred times more”
“I had been talking - said Father Hilleman - that Jesus invited his disciples to the Holy Hour.
Jesus tells them ‘can you watch an hour with me?’ He says it three times and he says it to you at dawn.’”
The words of the priest made the boy decide to sign up at 3:00 am, something that caught his mother’s attention.
The child explained: “I want dad to stop drinking, stop hitting my mom and we stop being so poor.”
During the first week the mother accompanied him and in the second week he invited his father.
“A month after they started going to Perpetual Adoration. The father gave the testimony that he experienced the love of Jesus and was healed.”
And then “he fell in love with the mother in those holy hours,” said Father Hilleman. “The father stopped drinking, stopped fighting with the mother and stopped being poor. By the faith of a little boy of 8 years, the whole family was healed.”
We have a chapel of Adoration at St. Edward’s Church available on Thursdays, Fridays and Saturdays from 7:00 a.m. through 7:00 p.m. Jesus in the Eucharist can change your heart, your family and your life. More info and if you want to sign up call Priscilla 401-439-6152
SAINT ANTHONY CHURCH 75TH ANNIVERSARY

Because this is a special anniversary year for the parish, the youngest of the tri-parish community, a celebration dinner will be held on Sunday, October 27th, at Kirkbrae Country Club. More details to follow after the committee meets.

EL ROSARIO GUATEMALA SUPPORT

Recently two large cartons filled with all kinds of school supplies, children’s toys, games and summer clothing were sent to the village of El Rosario. Our first visit there three years ago with new sneakers and other items for the children made a lasting impression and was a beginning. When a little boy asked his teacher if he would be forgotten after our mission team returned home to North Providence a continual effort has been made to improve the quality of early education there. A playground was constructed in the area where the children played on used tires partially buried in the dirt ground. A new kitchen was added to the school building in the location were an outdoor fireplace was used to prepare food for the children when it was available. The bathrooms were improved and a concrete patio was installed in front of the small three room school. The children are sent on a class trip every October to the city zoo in Guatemala City for which they look forward. Many other improvements were made because of the generous support of our parishioners. As a result the enrollment has increased because the parents have confidence that their children are in an environment more conducive to learning. Moreover the parents of that poor village are very grateful that we care about them, that Americans, parishioners of Saint Anthony and Presentation Churches want to help their children get a good education so they can have a future in their country. Thanks again to all who have made this outreach to El Rosario possible.

A PRAYER FOR HEALING

VICTIMS OF ABUSE

God of endless love, ever caring, ever strong, always present, always just: You gave your only Son to save us by his blood on the cross.

Gentle Jesus, shepherd of peace, join to your own suffering the pain of all who have been hurt in body, mind, and spirit by those who betrayed the trust placed in them.

Hear the cries of our brothers and sisters who have been gravely harmed, and the cries of those who love them. Soothe their restless hearts with hope, steady their shaken spirits with faith. Grant them justice for their cause, enlightened by your truth.

Holy Spirit, comforter of hearts, heal your people’s wounds and transform brokenness into wholeness. Grant us the courage and wisdom, humility and grace, to act with justice. Breathe wisdom into our prayers and labors. Grant that all harmed by abuse may find peace in justice. We ask this through Christ, our Lord. Amen.

Sunday Reflection by Rev. Leonard N. Peterson

One spring morning I visited the pastor whom I help out in his office where his dog was lounging on an over-sized towel. All of a sudden, for no apparent reason, the pooch stood and grabbed the towel and started twisting it into a spiral. Watching this, I just spurted out to the other human in the room that pooch’s behavior resembled my own on any given early morning. Pastor had a hearty laugh at that, but I was partly serious. In the midst of my morning preparations, I often find myself distractedly doing this or that instead of staying focused on getting dressed and readying myself for prayer.

Nearly every self-help book, program, DVD, or podcast say the same thing as your counselor or your Aunt Louise, namely that “if you want to have a healthy lifestyle you have to set your priorities and stick with your decision.” Having the right priorities will lead you to experience balance, happiness and peace. The wrong ones only produce the opposite.

People today often complain about “running in circles” much of their time, with overly busy schedules and demands coming from all sides, not the least of which are those coming through their cellphones. Only when they choose to “stop and smell the roses” do they get a break.

The familiar gospel story of the two sisters Martha and Mary is often analyzed as one wherein Martha wears the “black hat” and Mary the “white one.” If you note carefully, Our Lord never sets up this characterization. It’s as if He realizes that He is dealing with two future saints, which both ladies became. The crux of the matter for Him is that one must listen to His word as the top priority for every one of His followers. Mary knew this and acted on it.

True, Martha temporarily forgot this. If you’re anything like me, I can be guilty of forgetting too. Martha had to be reminded that all her legitimate concerns about properly hosting a visitor, while good in themselves, are second to hearing the Word of God.

We all need reminders that our chosen priorities not be easily set aside. In fact, it’s precisely when a serious matter may be weighing us down that we need to listen to God’s voice more intently. We can’t always have a copy of the bible with us but God is always by our side. He “speaks” in a variety of ways and means.

Mary knew instinctively what to do when God was literally by her side that day when their Friend came calling. So she exercised a certain wisdom that only comes with a healthy set of priorities. But to her credit, we know her sister Martha also knew just who to turn to some time later when her brother Lazarus died. Who can fault her act of faith when she finally caught up with Jesus and simply said, “Lord, if you had been here my brother would not have died”? (continued). When asked why he had been so successful, former Dallas Cowboys coach Tom Landry responded to a crowd of more than two thousand students at Baylor University, “In 1958, I did something everyone who has been successful must do. I determined my priorities for my life—God, family, and only then football.”
FELICITACIONES A TODOS POR EL FESTIVAL!

¡Qué regocijo tan inmenso siento al poder compartir como familia parroquial todas las bendiciones y talentos que nuestra comunidad parroquial tiene para ofrecer. Me admira la disposición, gusto, alegría y compromiso con que todos los comités y servidores hicieron lo necesario para que el festival fuera un éxito. Hay que trabajar muy duro para lograrlo, pero vale la pena cuando todos han puesto su grano de arena coordinando, cocinando, organizando, limpiando, vendiendo, comprando, decorando, etc! Me siento muy orgulloso de ustedes!!!

Este año la ayuda de nuestra COORDINADORA DE EVANGELIZACIÓN, Francis Guevara hizo una enorme diferencia en la organización y logística del festival. La gran preparación del acto cultural hizo que la gente disfrutara mucho la jornada. El grupo de Jóvenes y el grupo folclórico de la parroquia fueron una gran adición y muestra de los valores y talentos que tenemos en la comunidad. Estoy muy agradecido por tanta organización y despliegue de servidores trabajando. Agradezco mucho a San José por el buen tiempo que nos ha regalado para el homenaje a la Madre de Dios, la Virgen del Carmen. El buen tiempo ayudó a que las ventas superaran las del festival del año anterior, lo que nos da buen augurio, en cuanto al informe económico. El Señor es bueno... Bendito sea su nombre!

Trataremos de tener un informe económico para la próxima semana, pues estamos aún recibiendo algunas donaciones y debemos pagar facturas a los proveedores. De nuevo mi agradecimiento a todos y felicitaciones. Sigamos creciendo en CO-RRESPONSABILIDAD y haciendo crecer nuestra Parroquia. Bendiciones para todos!!!

La Hospitalidad en la Misa: Una Clave de la Buena Corresponsabilidad

Paras muchas personas y familias, el verano significa viaje. Y viaje de verano puede significar nuevos visitantes a nuestra parroquia para las liturgias del fin de semana. Cómo saludamos y proveemos hospitalidad a nuestros visitantes, dice mucho acerca de nuestra práctica de la buena corresponsabilidad.

Proveer hospitalidad a los extraños es un sello de la corresponsabilidad cristiana. En el Evangelio de San Mateo los buenos corresponsables fueron elogiados por su hospitalidad: “fui forastero y me recogisteis” (Mateo 25:35). San Benito instruyó a sus seguidores para recibir a invitados y viajeros como si ellos fueran Cristo. Extender la hospitalidad es especialmente importante cuando se trata de recibir visitantes que tal vez asistan a nuestra parroquia por primera vez.

Hay muchas evidencias anecdóticas que sugieren que la hospitalidad para que un visitante de primera vez tenga una experiencia significativa de Cristo en la liturgia, es impactada directamente por la calidad de la bienvenida extendida por la comunidad de culto local. Si las personas dicen un “saludo,” la experiencia del culto es mejor. Una calida bienvenida es parte de la evangelización, un trabajo necesario en la misión para ayudar a la gente a descargar o a renovar su fe en Cristo.

¿Cómo tratamos a las personas desconocidas que caminan entre nosotros en la iglesia, o a quien se sienta junto a nosotros en misa? ¿Nosotros los ignoramos? ¡Hablamos acerca de ellas! ¡Las miramos y no decimos nada! ¿Y tomamos la iniciativa de saludarles, sonreír, extender un cálido saludo de manos?

Recuerde, somos embajadores de Cristo (2 Corintios 5:20). Nuestras acciones y reacciones hacia los visitantes en misa, comuniquen quienes somos y a quién representamos. Tomemos un tiempo para dar la bienvenida a los visitantes a nuestra parroquia este verano. Los gestos de bienvenida, por pequeños que sean, no sólo tendrán un impacto positivo en nuestros visitantes, nos convertirán en embajadores más hospitalarios de Cristo.

Quince Ideas Ocasionales de Corresponsabilidad para el Mes de Julio

1. Invíte a comer a un amigo/a que se encuentre solo/a.
2. Apague la televisión, el teléfono y la computadora, y pase una hora dedicándolo a alguien que ame.
3. Asista a una Misa extra durante la semana en este mes.
4. Ayúdese de algo que le guste comer – carne, multivitamina o soda – los viernes de cada semana, y ahórre el dinero para una organización de caridad.
5. Lléve con usted su rosario en una caminata por la mañana.
6. Recicle más.
7. Piense en una organización de caridad que es bendecida abundantemente en la Navidad. Recuerdeles con un regalo a mitad del año.
8. Haga cada día una oración por uno de los lugares del mundo que se encuentran en conflicto.
9. Sorprenda a un viejo amigo/a con una llamada telefónica.
10. Compare o corte una llov que a alguien sin “razón” alguna.
11. Lleve a su familia al mercado de granjeros si es temporada de cosecha.
12. Deténgase un momento durante su ocupado día y disfrute un rato de un refresco o un postre.
13. Si le pareció una gran bendición, dégalos al predicador.
14. Díganle en algunos productos y compre bastante para compartir con alguien en necesidad.
15. Ocasionalmente, trate de cambiar su oración antes de sus alimentos en una oración exponiéndose a agredimiento, usando sus propias palabras.

NUESTRA CO-RRESPONSABILIDAD!!!

"Hay más alegría en dar que en recibir"

Dios les Pague!

Tesoro: Ofrenda semanal 13 y 14 de Julio $1,910.00 en 64 sobres. Dios les pague!!!
