

LoveEd is a new program that helps empower parents to teach both the theology and science of human sexuality within the context of God’s plan for love and life.

LoveEd is a parent-guided, age-appropriate, gender-specific program that teaches children about God’s plan for life, love, sexuality, and purity. The Parent Training Event equips parents of children of all ages to have positive, life-changing conversations with their kids. The Parent/Child Events facilitate these conversations at two important life transitions: as they enter puberty (approximately 9-11 years), and young adolescence (approximately 11-14 years).
